## Boxscore

**Field goals attempted** Player's action aimed at scoring the ball into the opponent's basket. Shots percentage - is the ratio of shots made to shots attempted.

**2-pt field goals** Field goal attempt made inside of three-point line or when player (his foot) touches it.

**3-pt field goals** Field goal attempt in a basketball game made from beyond the three-point line.

**Free throws** Shot from a free-throw line which is awarded after a foul on the shooter by the opposing team or after going over foul limit.

**Plus 1** Additional free-throw awarded after player gets fouled while shooting and scoring FG.

**Assist** Pass to a teammate that directly leads to a made field goal.

**Block** Defensive action when a defensive player legally deflects a field goal attempt from an offensive player by "covering" it with hand(s).

**Blocked shots** Every shot attempt which was deflected by opponent from defending team.

**Foul** Breach of the rules. There are personal, technical, unsportsmanlike, flagrant fouls and team fouls. The game is stopped after the foul and followed by free-throw.

**Rebound** Retrieving the ball bouncing off the rim or backboard or after a missed shot. If player from a defending team regains the ball this is - "defensive rebound", if the ball is recovered by the offensive side - "offensive rebound".

**Turnover** Action resulted in losing the ball by team on offense to the opposing team.

**Steal** Action when defending player causes turnover either by taking away the ball or stealing opponent's pass.

## Shots types

**Pull up** Jump shot attempt at least 3 meters from the rim after dribbling or in a static position.

**Lay up** Two-point shot attempt made by leaping from below, laying the ball up near the basket, and using one hand to bounce it off the backboard. Most often is made after two steps.

**Hook** Throwing the ball with a sweeping motion of the arm in an upward arc.

**Dunk** Shot that is performed when a player scores by putting the ball directly through the basket with one or both hands.

**Alley oop** An offensive play in which one player throws the ball towards the basket while his teammate jumps, catches the ball in mid air and puts it in the hoop without touching the ground.

**Tip In** An immediate shot after securing an offensive rebound, most often made by fingertips. It counts as a rebound and a shot at the same time.

**Floater** A "parachute" shot when a player starts shooting attempt a good distance away from the basket.

**Reverse** Shot made by a player near the basket in which a player starts at one side of the rim, then shoots the ball underhand at the other side of the rim.

**Contested/Uncontested shot** If there is opponent between the rim and a shooter - it's a contested shot. If there's no opponent - uncontested.

**Shots and passes contest** Level of opponent's defensive actions against a player from 0 - no contest to 3 - tough contest. Team stats reflects average parameter for all shots/passes throughout the game.

## Possessions and combinations

**Possession** Ball possession by player/team is a state when player/team controls the ball. Possession lasts since throw-in/catching the ball till FG/losing the ball. Average possession time is based on average time of single possession by each player.

**Game Combination** A set of offensive team's actions aimed at scoring a field goal.

**Field goal playtype** Play leading to a shot attempt.

**Transitions** Ball possessions which starts at team's backcourt and lasts more than 4 and less than 8 seconds.

**Offensive rating** Points which team would score if the player was on-court (100 possessions).

**Defensive rating** Points which opponent team would score if the player was on-court (100 possessions).

**Net rating** Difference between player's offensive and defensive ratings.

**Plus/Minus** Points difference while a player was on-court.

## Combinations and isolations

**Pick'n'Roll** Offensive play in which a player sets a screen (pick) for a teammate handling the ball and then slips behind the defender (rolls). There are two types: Pick'n'roll handler - when a ballhandler makes a shot attempt; pick'n'roll roller - when a screener makes a shot.

**Isolation** Offensive play when a team gives the ball handler room to play one-on-one against his opponent.

**Catch and shoot** Play which finished by a jumping shot at least 3 meters from the rim by a player who controlled the ball less than 2 seconds or didn't dribble.

**Screen off** Play when a player gets free for a shot out of screen from rim towards three-point line. It includes running around, deflecting and getting free off screen.

**Post up** Play when an offensive player receives the ball within 4,5 meters with his back to the basket and making a shot attempt.

**Hand off** Play when a ball handler squeezes between his opponent and teammate and passes the ball to the latter for a shot attempt.

**Cut** Play when a player attempting to shoot receives the ball while running towards the rim. It also includes screens, fast breaks and situations when a player gets open at the rim.

**Putbacks** Play when a player rebound the ball shoots immediately without passing or dribbling.
